

Trace the letters A–Z

26 tracing pages for ages 3 to 6: capital and small letters, a word for every letter.

- Print on plain paper. Crayons and thick pencils are easier for small hands.
- Start at the green dot and follow the dots in order.
- One page a day is plenty. Praise the effort, not the neatness.

More letters, numbers and shapes in the Tico app: no ads, 14 languages, ages 2–6.
